

EST/LA, located at Atwater Village Theatre, acknowledges our presence on the traditional, ancestral, and unceded homelands of the Tongva, Chumash, and Kizh people, who resided here and stewarded this land before the city of Los Angeles was formed, and are still living here among us today.

## Special Thanks

My sincere thanks to Tracey Leigh, Troy Loftin, and the producers for accepting *Contract Killer* into the Winterfest; to the performers, Kate Prendergast, Michael Perlmutter, and Jeff Lebeau; to director Michael Mahon for steering the ship and giving excellent notes along the way; and the EST/LA Sunday Best group for providing encouraging feedback after the initial reading.

Dedicated to my beautiful wife Marion and my wonderful parents for their love and support.

## About the Playwright

Award-winning playwright **Tom Kramer** has had plays produced at Playwrights Horizons, the Neighborhood Playhouse, and EST NYC. Besides writing for Pasadena Magazine, he was on the SAG-AFTRA Communications Committee and a former researcher for the PBS show, *NATURE*. As an actor, Tom's been featured in numerous national commercials as an amiable spokesperson, yet always seemed to be cast as a villainous bad boy in daytime dramas. His true personality is a charming wise guy.
